Hiring Manager  
Thales Canada

Dear Hiring Manager,

I am writing to express my enthusiastic interest in the **Data Analyst** position at **Thales Canada**. As a Computer Engineering graduate with a specialization in AI and Data Science, I have been following Thales Canada's work in data analytics with great interest.

My background combines strong technical skills in Python, SQL, and Power BI with hands-on experience automating data workflows and building predictive models. I believe my experience aligns well with your needs:

- Strong SQL and Power BI experience aligns with Thales' defense analytics needs
- RPA automation background matches their digital transformation initiatives
- Security clearance eligible (Canadian citizen)

I am eager to bring my analytical mindset and technical proficiency to the Thales Canada team. Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your data initiatives.

Sincerely,

Vrajesh Bhatt
